Siemens on The Road

Medium-voltage power distribution
products & solutions that improve reliability!

Learn how Siemens can answer these questions:

- * Do you have high-power needs?
 - * Want to improve safety for your operators?
 - * Need to save costs and still keep the power on?
 - * Interested in our latest technologies?
-

Come operate our distribution reclosers, disconnect
switches, circuit breakers and switchgear!

Products and solutions inside the demo trailer include:

- 3AH35-MA magnetic-actuator operator
- Disconnect switches
- Distribution reclosers and controllers
- Fusesaver™ medium-voltage circuit breaker -
the world's fastest
- SDV7 outdoor vacuum distribution circuit breaker
with stored-energy operator
- GM-SG air-insulated switchgear with Siemens
electrical-integrated racking solution (SIERS).
